CONTRACT WORK

WELCOME

BEAVER BUS is a family owned and run local business. Based in South Leicestershire, we pride ourselves on catering to your needs.

Our vehicles which range from 49 to 85 seats are maintained to the highest standards to conform to current department of transport regulation in our new purpose built, modern, well equipped workshop.

All drivers and where necessary escorts are uniformed and **CRB/DBS checked**.

We specialise in home to school bus services.

OUR SCHOOLS

TO REGISTER FOR A PLACE ON A SCHOOL BUS:

Simply fill out our reservation form on our website www.beaver-bus.co.uk/school-buses

and pay a £40 deposit. Our timetables can be located to the right of any page on our website under the relevant school heading.

OUR BUS PASS SYSTEM

Please keep your pass in a wallet or holder. We are using an electronic system and **if the card is damaged it WILL NOT SCAN**. The system is contactless, with the student only needing to show the card to the new reader.

Our bus pass system tells us where the student boards the bus and at what time. The buses are tracked by GPS telling us where the buses are records a timing and location at each stop.

We can see how many passengers are on the bus at each journey.

Damaged passes or misused passes will need to be replaced due to the internal chip being damaged; this will be at the cost of £10.

REPLACEMENT BUS PASSES

We have a robust replacement pass procedure in place. A new pass can be ordered 24/7 through our website and will be waiting on the next available journey

with the driver. Replacement passes will be processed during our office hours.

WE COVER ALL ASPECTS OF BUS TRAVEL INCLUDING:

- Schools
- Supermarkets
- Employment agencies
- Universities
- And any contract work

We excel at moving large groups of people over short journeys by our shuttle service. If you need a bus give us a call. We will probably be the only call you need to make.

We are a Commercial Operator and operate double decker/bendy service buses that do not have seatbelts. We may legally carry standing passengers and your ticket purchase with Beaver Bus Ltd, reserves a place on the bus not a seat. The published timetables are subject to change from time to time, most commonly at the end of the year after the schools have finished. We guarantee a 'place' on a bus based on the location selected in your reservation form, not a place on a specific bus.
